

Brian Beasley Athletic Scholarship

The Brian Beasley Athletic Scholarship is given in honor of Brian Beasley. Brian was an active member of the Dublin community and his two daughters are graduates of DHS. Brian was extremely passionate about both athletics and people. During his time playing football in college he saw the value and benefit of becoming a collegiate athlete and showed excitement and passion about the opportunity to help his daughters and their friends navigate the process in achieving athletic scholarships. This award is his way of continuing to support future Dublin students. This year's recipients are:
